Work Experience

Freelance

Web Developer

New York, NY

April 2017 - Current

- Designing and building websites for small businesses and professionals
- Working as a consultant for noticed.co, rebuilding and building new pages on their website
- Worked as a consultant for codejockey.com working both on their platform, as well as maintained and debugged their client's websites

Front End Developer

Spotible

New York, NY

October 2015 - April 2017

- Utilized Javascript, CSS and HTML to develop interactive and responsive ad campaigns
- Developed rich media creatives for highly trafficked websites including but not limited to The New York Times, Wall Street Journal and National Geographic
- Created campaign mockups for clients and brands
- Performed quality assurance testing on ad campaigns built by other team members
- Assisted clients with debugging issues regarding campaigns built by their in house teams
- Created and edit videos for the Spotible Vimeo channel

Customer Service

Consultant

Burberry

New York, NY

October 2013 - July 2014

- Provided extensive customer support through answering phone calls, email, and chats from Burberry customers in English and Portuguese
- Maintained a calm, professional, and respectful demeanor while working in a high stress environment
- Constantly multitasked between phone calls, emails, assisting other consultants, and researching to find answers to customer issues

Owner

IE Exchange Agency

Brazil

March 2010 - March 2012

- Sold international exchange programs for Brazilian citizens interested in studying or working abroad
- Managed day-to-day operations and projected sales for future months
- Created advertising campaigns geared toward students interested in opportunities abroad
- Managed multiple employees including hiring and motivating them to sell at their maximum potential
