## Work Experience

### Front End Developer Spotible

October 2015 - April 2017  
New York, NY

- Utilize Javascript, CSS and HTML to develop interactive and responsive ad campaigns
- Develop rich media creatives for highly trafficked websites including but not limited to The New York Times, Wall Street Journal and National Geographic
- Create campaign mockups for clients and brands
- Perform quality assurance testing on ad campaigns built by other team members
- Assist clients with debugging issues regarding campaigns built by their teams
- Create and edit videos for the Spotible Vimeo channel

### Customer Service Consultant Burberry

October 2013 - July 2014  
New York, NY

- Provided extensive customer support through answering phone calls, email, and chats from Burberry customers in English and Portuguese
- Maintained a calm, professional, and respectful demeanor while working in a high stress environment
- Constantly multitasked between phone calls, emails, assisting other consultants, and researching to find answers to customer issues

## Education
